

One of the most virtuosic and emotive voices of contemporary jazz violin, Zach Brock has followed a path which embraces not only jazz, but also classical, world, and popular music. From critical acclaim as a bandleader to international exposure in collaborations with **Stanley Clarke**, **Grazyna Auguscik**, and **Frank Vignola**, Zach continues to gain admiration from both jazz purists and music enthusiasts alike. Zach's repertoire includes re-workings of songs by Jimi Hendrix, John Coltrane, Phil Markowitz, and Zbigniew Seifert, in addition to an evolving catalogue of his own compositions. His latest CD ***The Magic Number***, with bassist **Matt Wigton** and drummer **Fred Kennedy**, offers a telling glimpse of why Zach is being heralded as "**the great bright hope for jazz violin.**" (Chicago Tribune)
